### **About Journal:**

**International Journal of Advances in Science, Engineering and Technology (IJASEAT)** is a scholarly online, open access, peer-reviewed, interdisciplinary, quarterly, and fully refereed journal focusing on theories, methods and applications different field of Engineering Science and Technology. It is an international scientific journal that aims to contribute to the constant scientific research and training, so as to promote research in the different field. The journal covers all areas of Science, Engineering, Computer Engineering, Mechanical Engineering, Biometrics and Bioinformatics, Electrical Engineering, Electronics Engineering, Automobile Engineering, Civil Engineering and more. We publish original research articles, review articles and technical notes. The journal reviews papers within two weeks of submission and publishes accepted articles on the internet immediately upon receiving the final versions.

**4 issues/year**

**Electronic/Online access**

ISSN (Print) : 2321 –8991

ISSN (Online) : 2321 –9009

### **Topic Coverage**

- Artificial Intelligence
- Agent Oriented SE
- Autonomic Computing
- Cloud Computing
- Computational Intelligence
- Computer Systems
- Computer Vision
- Data Mining and Web Mining
- Database System
- Distributed & Grid Computing
- Advanced network protocol design and analysis
- Protocol verification and validation
- Network management
- Reliability and fault tolerance
